

**High Pressure Washer**  
**180Bar-3000W**

**RP-0180**

- Super professional heavy-duty 3000W induction motor provides strong power that generates maximum water pressure for extreme cleaning power
- High-performance efficient induction motor ensures more service life, lower sound level and higher quality of water dispensing
- Total stop system automatically shuts off pump when trigger is not engaged and with the help of self-suction function ensure motor's longlife and also save energy
- Built-in thermal protector controls the tempreture of the motor during longtime working
- Professional high-pressure gun for better functionality and more convinience
- Ergonomic new design provides easy movement and brings more comfort in different cleaning tasks
- With wheels and handles for easy movement
- Equipped with adjustable lance which manufactured from high-quality raw material and let you easily control spray angle in different cleaning tasks
- Included 3 different nozzles to cover different kinds of applications
- Built-in detergent tank for extra cleaning power and reducing cleaning time
- Automatic hose connector for easy and fast set up and quick inserting and removing of the hose
- Onboard hose reel for easy storage and quick winding and unwinding
- Suitable for heavy-duty industrial usage
- Rotary On/Off switch for convenient use
- 8-meter steel armed rubber high-pressure hose for more durability and higher efficiency
- Tempered stainless steel plunger easily unchokes the dirt stuck in the nozzle

**THERMO SWITCH**

Model	RP-0180
Power	3000W
Motor Type	Induction
Max Pressure	180Bar

Max Rated Flow	9.2L/Min
Detergent Tank Type	Built-in
Pump Material	Copper
Frequency	50Hz
Voltage	220V
Weight	24.5kg
Dimension	620*375*623mm
Supplied in	Ronix color box
Includes	Quick connector, Water inlet nut, Adjustable lance, 8-meter steel armed rubber high-pressure hose, Hose reel, 3 nozzles, Nozzle holder, 5-meter power cord
